

BOARD OF DIRECTORS OF
MOBILE COUNTY SOLID WASTE DISPOSAL AUTHORITY

This Authority created 1-9-84 by the Mobile County Commission under provisions of Act No. 80-278 of the 1980 Regular Session of the Alabama Legislature. Members are appointed by the Mobile County Commission. Certificate of Incorporation filed in Mobile County Probate Court in RP 2566, Page 655. Total number of members is three.

Purpose: To acquire, construct, own, lease, operate, or enter into contracts for the operation of solid waste disposal facilities and resource recovery facilities, to acquire any facility for the recovery of energy from solid waste for lease or sale; to borrow money for its various corporate purposes.

This is a separate legal entity, incorporated 1-19-84. The incorporation is recorded in Probate Court. Any activities it orders are paid for by the Mobile County Commission. It does have as of 6-28-93 \$12,623.43 of its own in an interest bearing account in Southtrust Bank, which came from the Commission.

This Authority can expend funds straight out of the General Fund of Mobile County without Commission approval and can sell bonds and obligate the County without Commission approval, per Mr. Ruffer, Authority Member.
